

## Cheesecake Cones

1 lb cream cheese (softened)

$\frac{3}{4}$  cup sugar

2 eggs

1 tsp vanilla

Cream together sugar, eggs, cream cheese and vanilla.

Spoon (or squeeze) mixture into cones about  $\frac{3}{4}$  full

Bake at 375 degree for about 7-8 minutes. (Watch carefully)

After cooling, you may top with your favorite pie filling.

For best results, store these cones in the refrigerator.
